

I'm Just Doing Me

Eliza B

You're taking too long, much too long
But I don't care because I'll get there
I'm all grown up for the world to see
This is who I'm meant to be

Turn around, the smiles on me
They like my style, but that's just me
I'm stepping from the shadows to my own path
This is who I'm meant to be

I'm Eliza-B
Shinning for the world to see
I'm Eliza-B
I'm just doing me

I am taking my time deliberately
Making a leap when I wanna break free
I'm marching to the beat of my own drum
I'm just happy being me.

I'm taking a picture frame-by-frame
Putting it together cause we're not the same
We're all a little different, can't you see
I'm just happy being me.

I'm Eliza-B
Shinning for the world to see
I'm Eliza-B
I'm just doing me

I'm learning day by day
Making notes along the way
Watching what you do
And hearing what you say
A reminder to self I'm okay

I'm Eliza-B
Shinning for the world to see
I'm Eliza-B
I'm just doing me

I'm Eliza-B
Shining for the world to see.
I'm Eliza-B
I'm just doing me
